Overview

ASB is a semester long class and a space for students to lend their voices to the HTHNC community, share and see their ideas come to fruition, and partake in making their school a brighter, happier, and more exciting space. Students participating in ASB should be prepared to represent the school in a positive way both inside and outside the ASB classroom. ASB is a commitment and expects active participation from each and every member. Students should be ready and excited to be present for each meeting, ASB run event, and spirit week throughout the entire 2020-2021 school year. **If you are unable to be present for every event you should not sign up for this elective. Every student enrolled in this elective will be expected to be an active participant, failure to do so may result in premature removal from the elective.**

On the Calendar (So Far)

- **September Spirit Week**
- **Virtual Movie Nights**
- **Virtual HTH Board Meetings**
- **Prom**

Who Are We Looking For?

- **Students who love HTHNC**
- **Students who bring positivity**
- **Students who care about their school**
- **Students who want to make lasting impact**

- **Student Contracts & Grading:** Students signing up for ASB are on a SEMESTER basis and will be expected to read, sign, and uphold a contract agreeing to maintain the standards expected of all ASB representatives. Failure to follow contract guidelines (including teamwork, attendance, support, school spirit, etc) may result in removal from the elective.
- **Class Representatives:** ASB will have two people from each class serve as representatives in ASB. Class Representatives will serve as the voice for their other class members, promote school-related activities, and will boost school pride and spirit in their peers. Class Representatives are obligated to the semester they are enrolled and Rep' positions will be up for renewal/replacement at each new semester mark.
- **Officer Positions:** The positions of President (12th grade), Vice President (11th or 12th), Secretary (11th or 12th), and Treasurer (12th) are open **only** to individuals who served in ASB the previous year. Students in an officer position must go through an election process and will be expected to not only uphold the same standards of each member of ASB, but to be leaders of the elective for the duration of the school year. ***Due to COVID-19, ASB Officer positions are currently closed for the 2020-2021 school year.***

ASB Elective Contract

Welcome to ASB for the 2020-2021 school year!

ASB is a great opportunity to connect with your peers across classes, to promote school spirit, and to boost positive energy at HTHNC. **Please read below and check which opportunity most suits your wants and/or needs for the coming school year.**

[] **ASB Team Member:** ASB Team Members are involved in the elective for the entire 2020-2021 school year. Students choosing this option will be expected to be seriously committed to the elective and to actively participate in all off and on campus activities.

Responsibilities for the elective include but are not limited to:

- **Attending** and being **active members** for every Tuesday, Wednesday*, and Thursday meeting
- **Actively** participating in **every** school spirit week
- **Attending** a minimum of two school sponsored events (dances, movie nights, sporting events, etc.)
- **Assisting** with setup **and** breakdown of events
- **Promoting** a positive school environment

[] **Class Representative:** Class Representative positions are available to **two** members from each class (freshman, sophomore, junior, and senior). Class Representatives will only be contractually obligated during the semester that they sign up for (fall or spring). Students choosing this elective will undergo an application process prior to being accepted for the role. [Please use this link to apply.](#)

During the Class Representative's serving semester the responsibilities include but are not limited to:

- **Attending** and being **active members** for every Tuesday, Wednesday*, and Thursday meeting
- **Actively** participating in **every** school spirit week that takes place during this time
- **Attending** a minimum of four school sponsored events that take place during this time
- **Assisting** with setup **and** breakdown of events
- **Promoting** a positive school environment (**ALWAYS!**)

In addition, all ASB members and representatives will be expected to remain within passing of their classes.
